

FAIS 2021

FAIS 2021 Meeting is going Virtual!

Limited Sponsorship Opportunities are Available

The **11th FAIS African Congress of Immunology** will take place from 1st-5th of August 2021 with a broader audience than ever before!

This year's all-virtual program will feature cutting edge science from colleagues across the globe. We have assembled a fantastic line-up of plenary and symposium speakers to make this a truly memorable congress. As with an in-person meeting, Virtual FAIS will also be a forum to support collaboration, networking, and career development. We hope to expand our community globally, using inclusive technologies and a program structure that makes content and participation possible for colleagues worldwide.

We are offering a limited number of sponsorship opportunities for this series of online educational sessions. Gain exposure for your organization by reaching directly to the most comprehensive audience in the field.
