Dear

We cordially invite you to attend the **ASP 2026 Biennial Meeting** of the American Society for Photobiology, taking place **May 16 – 19, 2026** in **Scottsdale, Arizona, USA**. This biennial meeting brings together a diverse mix of researchers, professors, educators, government employees, and graduate and undergraduate students focused on the latest advances in photobiology and the photosciences.

It is recommended that you bring this letter as well as confirmation of paid registration or abstract acceptance as a speaker. The use of this letter without further documentation confirming your intent to participate is not advised.

To visit the United States, you may need to obtain a visa. We encourage you to contact your local Consulate or the Consular Section of your local US Embassy to determine the approximate time for the visa process. *The American Society for Photobiology has no influence or control over the issuance of a visa and is not able to contact any embassy or government agency on your behalf.* For visa information: <https://travel.state.gov/content/travel/en/us-visas.html>. International Visitors Office (BISO): <https://www.nationalacademies.org/our-work/international-visitors-office>.

For ASP 2026 participants traveling from a foreign country, the U.S. requires a visa for most international travelers, except travelers from Canada and Visa Waiver Program countries. To obtain the visa electronically: www.dhs.gov/visa-waiver-program. To apply for a visa: ustraveldocs.com. Note: The ESTA application requires the traveler's country of birth information.

During your stay, you will not be remunerated by ASP 2026 or the American Society for Photobiology. You are responsible for all travel expenses including airfare, ground transportation, hotel, meals, and travel insurance. **No expenses will be covered, reduced, or waived** unless you win a travel award communicated separately. This letter serves only as an invitation to register and an additional document to aid the visa application process.

We look forward to your participation at the ASP 2026 Biennial Meeting.

Sincerely,

Lori Strong, Sr. Meetings Director

American Society for Photobiology – ASP 2026 Biennial Meeting
